

MCCS LIONS!

Millers Creek Christian School Scholarship is used to provide tuition assistance to students in kindergarten through 12th grade. We understand that it is a financial sacrifice and commitment for families to send their children to our school, since we are a non-profit religious school that does not receive state or federal funding. Millers Creek Christian School's mission is to provide a balanced education which is Christ-centered and presented to students with a Christian world-view. By supporting this event, you are providing opportunities for more children to attend MCCS. Thank you for your support!
